

# CALVERT COUNTY HISTORICAL SOCIETY

The Calvert County Historical Society is a nonprofit member-supported organization founded in 1953 by a small group of Calvert County citizens who cherished their cultural heritage. Located in historic Linden, the Society staffs an Archives wing that houses its collections, including valuable records, documents, genealogies, wills, Bibles, publications and oral/video histories. Recognized as an excellent resource for source documents, and for historical and genealogical research, the Archives collection is consulted regularly by local and visiting researchers.

We also offer exciting opportunities to volunteer in various capacities; you can choose from transcribing records, researching a topic, helping organize and file records, maintaining Linden, as well as many others!

Membership dues support Linden, the Archives, and educational programs and workshops. Members receive the following benefits:

- One free hour of Research Assistance per year
- Personal invitations to workshops, programs and events
- 10% Gift Shop discount
- Subscriptions to *Letters from Linden*, our monthly newsletter, and *The Calvert Historian*, our annual publication
